Lockheed Aircraft Corporation
Burbank, California

REF: Contract SP-1917
Hal's letter of 20 Feb. 1959

Dear Hal:

We have used your referenced letter as authority to change Shipper GB-SP-2497 from Item 88, SP-LAC 1742 to Item 89, SP 646 SP and have processed as a supplemental payment to Invoice 1-12 a check in the amount of \$15.80.

If you will recheck Shippers GB-SP-2497 and GB-SP-2135, Hal, you will see we were correct in making our original suspension since both shippers call for 20 pints of Item 88.

Yours very truly,

LC

Doug
